

## GHM's Position

In the light of Coronavirus, we have been considering our position following recent UK Government announcement:

- Everyone should avoid gatherings and crowded places, such as pubs, clubs and theatres (including faith groups)
- Everyone should work from home if they can
- By next weekend, those with the most serious health conditions must be "largely shielded from social contact for around 12 weeks"

Taking these points into consideration, it is with sadness that we are now unable to resource the GreenHouse and provide a physical set of Mentoring Services.

We will therefore be cancelling all clubs, skills and mentoring at the GreenHouse until further notice. Training in April to June is cancelled and all potential volunteers will be transferred forward to the September to December course.

We will be concentrating on building on the 1-1 Mentoring through the use of Telephone Mentoring and Video Conferencing – we will be in touch with all Mentee's Parents, Guardians or Carers and Mentors in the next few days.

For those in school-based mentoring or lone working, these can continue provided the mentor, school and parents agree to do so.

We are well and safe at this time, thank you for all your prayers and kind messages.

Please keep in touch via
